

AMEDEI

Amedei is arguably Italy's finest chocolate and is stocked by other Italian Founders within Finest Things Italian and is available in the UK through London based distributors.

Finest Things Italian is delighted to promote awareness of the brand and to invite Amedei to attend the lifestyle events organised around the UK.

We hope to be able to offer selected items from their range through the shop feature on a seasonal basis. Where we have availability we will link from here.

Amedei's chocolate is handcrafted by specialist chocolatiers. **To see the process in action, check out the video to the right** and if visiting Tuscany make a point of visiting Amedei book [here](#).
