

BRISTOL HOTEL

The Bristol is an interesting property, it's a very typical 3 star seaside hotel, privately owned and operated by very nice people! At Finest Things Italian we work with [The Bristol](#) to promote the excellent apartments within their grounds. These are fresh and fun and set amidst the grounds where they also have a swimming pool and championship standard tennis court.

You can of course make reservations within the hotel if you prefer and full details of the hotel rooms are available on [booking.com](#). The apartments sleep 2 or 4 people and and bookings through Finest Things Italian for 3, 4 or 7 nights come inclusive of a wine tasting excursion on either Tuesdays or Saturdays.

You can book directly with the [Bristol](#) or through Finest Things Italian and any offer of value points discounts or wine tasting events (worth €30 pp) can be redeemed in arrival by presenting your Finest Things Italian confirmation.

The location within Tirenna is fantastic - a classic Italian seaside town which is incredibly busy during the peak summer months. From Easter or whenever the weather becomes favourable this is a very popular weekend escape for locals.
