### **ITALYS BUY TO LET**

is a joint venture between several of the property related members of Finest Things Italian and is focused on bringing holiday home or investment home properties to UK buyers at off market prices. The real estate being offered is high quality 'mid market' typical Tuscan holiday homes which have been secured through the network and knowledge of Finest Things Italian members like Toscano One, Gebetti and Gateway Promotions. Discounts of €20,000 or more below current market value are to be expected through 'distressed deals' secured by [italysbuytolet.com](http://italysbuytolet.com).

You can view the website [italysbuytolet.com](http://italysbuytolet.com) and make enquiries through the contact pages of the site or you will be able to enquire through regional partner estate agents.
