

## PIAGGIO

Piaggio is a Founder Member of Finest Things Italian through our connection in Tuscany with their museum which is a recommended attraction for all visitors to Tuscany through Finest Things Italian.

We are delighted to promote dealerships in the UK and to assist them in marketing, lead generation and promotions for any of their brands.

Check out regional dealers within the UK Clients sections of this web site - the first regions cover dealerships in Kilmarnock and in Edinburgh.

Our promotions often provide incentives to visit Italy and if visiting Tuscany through Finest Things Italian don't miss the chance to see the Piaggio museum and to stay close by at [Le Sodole Private Members Club](#).
